3. Rules and Regulations

The competition will be conducted according to the ISSF rules 3rd print 01/2015. Detailed information is available on the ISSF homepage www.issf-sports.org.

ISSF Juries (Equipment Control, Classification, Rifle, Pistol, Shotgun, Appeals) are designated by the ISSF to supervise the ISSF World Cup. Qualified Range Officers / Referees holding applicable ISSF licenses will conduct the competitions.

The equipment control will be conducted to the newest ISSF Equipment Guidelines using all approved instruments including thickness and stiffness devices.

Under rules adopted in 2013, pre-competition testing is no longer mandatory. As before, athletes are responsible for competing with legal equipment and clothing and are urged to submit all doubtful equipment and clothing to Equipment Control for checking before the competitions. All athletes are subject to being selected for random post-competition testing according to ISSF Rule 6.7.9.

All rifle athletes must have ISSF seals with serial numbers on their jackets and trousers. Any rifle jackets or trousers that do not have ISSF seals must be submitted to Equipment Control for inspection and the affixing of a seal before the athlete's first competition. Jackets and trousers that were previously inspected and have an ISSF seal continue to be valid except that athletes with more than one jacket or trousers must report to Equipment Control before their first competition to confirm which jacket and which trousers they will use. All other seal numbers for that athlete will be cancelled. Athletes that wish to replace a registered jacket or trousers with new clothing item must bring that item to equipment control for inspection and a new seal. Previous seals will then be cancelled. Rifle athletes can have only one active jacket and trousers at any time.

Regarding the use of only air or CO² cylinders please refer to ISSF Rule 6.2.4.2. , of the rule book which states the following: It is the athlete's responsibility that any air or CO² cylinder is still within its validity date. This may be checked by Equipment Control.

No Elimination relays are scheduled, but we agree that no 50m Elimination relays are possible. We just need to make sure that the General Information (official program) includes a notice that due to large participation and a very full schedule, there will be no scheduled 50m Elimination relays and that athletes will be squadded randomly on 2 or 3 relays for the Qualification.
