Transportation

Information will follow.

Customs formalities

Basically it should not be a problem to enter Switzerland with a Crossbow.

The Crossbow is a sports-equipment and not a weapon.

Tariff-Number Swiss Customs Number: 9506.9900

Documents It is recommended that every participant of the European-Championship is able to show a levy of his national federation.

Listing of the Crossbows It is recommended to prepare a listing of all Crossbows you bring with you. This listing should be presented at the customs when you enter Switzerland.
As soon as you leave Switzerland you should show the same list at the customs again.

Valid travel documents of the participants are presupposed thereby!
